

Scenic Highways and Byways **Yosemite**

Day 1

Morning

Begin your journey early. Just north of Oakhurst on Highway 41, turn east on County Road 200 through O'Neals to the town of North Fork on Forest Road 81. Two miles north designates the beginning of Sierra Vista National Scenic Byway. This stunning 87.5 mile route will take you approximately 5 hours as you explore the beauty and spirit of the Sierra National Forest. Along the way, stop to visit Arch Rock, Fresno Dome and Globe Rock. Your journey will end back at Highway 41. Continue north to Apple Tree Inn.

Afternoon

Check in to Apple Tree Inn (888-683-5111)

Day 2

Morning

Enjoy an expanded Continental breakfast at Apple Tree Inn. Follow Highway 41 North to Yosemite Village. Take some time to explore the valley and perhaps enjoy a hike along one of the many trails.

Afternoon

After a picnic lunch (available from Apple Tree Inn- check with the front desk), follow Highway 140, Mariposa County Scenic Byway for 27 miles through inspiring views and awesome scenery. Allow at least one hour.

Day 3

Morning and afternoon

After your expanded Continental breakfast, follow Highway 41 North to Highway 120, Tioga Road Scenic Byway. This byway, approximately 64 miles in length, offers one of the most spectacular passages over the Sierra Nevada. You'll drive through the highest automobile pass in California and experience an elevation change of over one mile from west to east. Views include towering granite peaks, pristine lakes, wildflower-covered meadows, and lush evergreen forests with Giant Sequoia groves. See how ancient glaciers created the serene, yet rugged, landscape. Allow an entire day, and don't forget your picnic lunch.

Day 4

Depart your hotel.
